

Advanced Stretch Wrapping Machine

Orbitwrap OR-4000L

The OR-4000L is a low maintenance, easy to operate Pallet Wrapping Machine. The OR-4000L is equipped with an electromagnetic force to load brake system. These machines have an easy-to-read operating panel with 3 + 1 programs. The OR-4000L includes a low-profile turntable, which allows easy loading by pallet trucks.

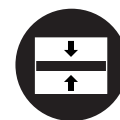

Productivity
Eliminate labour intensive, inefficient manual hand wrapping

Reliability
Rugged steel construction for long-term reliability

Easy
Photocell eye for automatic height detection

Low profile turntable
Only 26mm turntable

Advanced Stretch Wrapping Machine

Orbitwrap OR-4000L

Standard Features
