

Pacmasta®

Pacmasta®

Impulse Sealer with Magnet & Cutter Range

Pacmasta HCG series models are equipped with a sliding cutting blade to cut excess material 6mm from the seal. Excellent for application in the medical, pharmaceutical and packaging fields.

Sealers are available in 2mm and 5mm widths. The Impulse Sealers with cutters are ideal for sealing poly-tubing and most plastic materials.

Product code	Max seal length	Seal width	Watts	Max material thickness
PS-305HCG	300mm	5.0mm	880W	2 x 0.15mm (150um)
PS-405HCG	400mm	5.0mm	1080W	2 x 0.15mm (150um)
